Re: Monthly Update

Hello friends of Northern Barrell,

November 29, 2022 is our seven month anniversary of opening Northern Barrell. As we listen to you, our beloved customers, we continue to make exciting changes to our restaurant and seek to improve every aspect of your customer experience. If you had a chance to visit our place in the first few months that we opened, we thank you and urge you to return to **experience the upgrades we have made.**

Did you know that we no longer limit the hours that our kitchen is open? **If our doors are open, then our kitchen is open to serve you.** Did you know that **we now offer full entrée dinners** including Filet Mignon and Salmon? Did you know that this week **we are now offering weekly specials** like Pasta dishes every Wednesday; Steak dishes every Thursday; Fish and chips on Friday; Half chicken dinners on Saturday and Dollar Wings (\$1.00 ea. special) on Sunday? We also prepared a full take-out thanksgiving dinner package for pick up and hope to do the same type package for your Christmas dinner.

We want to share some other great changes that have happened recently. We would like to introduce you to **our two new chefs** that our now running our restaurant. **Please welcome Josh White and Liz Cottrell to Northern Barrell.** Both Josh and Liz bring years of experience working in many different types of restaurants. Josh will be our operations director and Liz will be running the kitchen operations. The changes referred to above are a direct result of their ability and desire to improve the options we can offer to our customers. We hope you will stop in and say hello to Liz and Josh, welcome them to our team and let them know what you think about the changes they have made.

We continue to rotate the beer selections we have on our twelve (12) taps so that you can enjoy something new every time you come into Northern Barrell. We now have a sour on tap and have added new cocktails, new canned beers as well as upgraded our wine selections. We still have our trivia on Wednesdays and the games on each Sunday. We all miss the nice weather and patio, but its cozy inside with our fireplace blazing. We hope you will continue to come back and enjoy the changes we have made or come to experience them soon for your first visit to Northern Barrell.

Thank you to all,
Chuck and Michelle

Cheers
